

BEFORE YOU START SEARCHING
 Check these 4 steps:
 The Old (Current) Track must be cleared and GPS set to record your progress

- 1 Check TRACK LOG is turned ON:
- 2 Track Log is CLEARED
- 3 Recording Interval:
 Record Method = Distance
 Interval = 0.01km (not 0.10km)
 (10m) (100m)
 Color: Choose what you want to show your "bread crumb" track
- 4 GPS is set to NZTM

Garmin GPSmap 66s and 66st

GPS setup check list.
